Subject: Draft Reclamation Plan

Steve,

I thought I'd sent this Friday night but it doesn't show in my "sent" folder. I even remember writing the e-mail. Oh, well, so much for electronic communication.

Please see the attached DRAFT Reclamation Plan for the Gold King Treatment/Stabilization project. I've attached both the pdf version that has all tables and graphs and the Word document for your convenience. This document is submitted for your review and comment. Please contact me, Elliott, or Dave if you have questions or comments.
